

# *better* **TOGETHER**

## 2020-2021 AT A GLANCE

## A MESSAGE FROM OUR BOARD PRESIDENT

“Like a puzzle, our United Way has many pieces. When you combine our community impact projects, agency grants, volunteer events and outreach programs together, you see the larger picture. That picture is a community coming together to serve over 80,000 individuals by providing basic needs like food and by investing in the education, health and financial stability of every person that lives here. When we work together, we can provide more resources, reach more individuals, and complete more projects. Thank you for helping us change lives!”

- Amy Simms, President

*“Never doubt that a small group of thoughtful, committed people can change the world. Indeed, it is the only thing that ever has.”*

*-Margaret Mead*

Blackwater Regional Library Outdoor Story Walk

Therapy Is Fun With Horses at Graz'n Acres

Freezer Donations To Franklin Cooperative Ministry

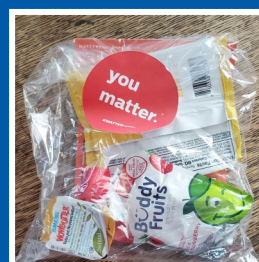

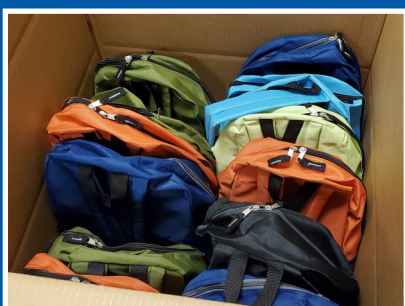

Tidewater Youth Services Fish Trip

# Building A Better Community

Girl Scout Troop 1707 and United Way board members assembled 360 Feminine Hygiene Kits in October. All items were donated by International Paper. Kits were distributed to local middle and high schools. Period poverty affects more than 40 million women and girls worldwide. Disadvantaged women and girls around the world lack access to sanitary products, feminine hygiene education, clean facilities and waste management. Poor menstrual hygiene can cause physical health risks and can lead to reproductive problems.

Liberty Diversified International believes in giving back to the community. Their Windsor Saftco plant partnered with the United Way this year to provide toiletries to seniors, healthy snacks to children and backpacks full of school supplies to the Southampton Meadows community. A donation was also made to the Covid-19 Relief and Recovery Fund.
